Darebin Appropriate Development Association Inc.

DADA is a community advocacy group. This guide is based on our collective knowledge and experience of the process. We take all care with our general advice but cannot be responsible for individual cases. Contact DADA via the website if you have specific questions

<http://www.darebinada.org/contact-us>

As far as is known at the time of publication, Council and State processes are accurately described but these change from time to time so it is recommended you check for any recent process and legal changes with the appropriate authorities.

The Council web links included specifically relate to City of Darebin websites.

Other Councils will have similar documents on their websites.

Introduction

Objecting to Development Proposals

Step 1: Pre Sale or Planning Application

Step 2: The Planning Application

Step 3: Planning Application Objections

Step 4: Council Decides

Step 5: VCAT Review

Step 6: VCAT Dates

Step 7: After VCAT
