Agenda/Minutes: 17th November 2020 – online meeting

We acknowledge DADA is meeting on Wurundjeri country and pay our respects to elders past and present.

Attendees: Chris Erlandsen, Maria Poletti, Mandy Baird, Jessica Doyle, Stewart Midgley, Jim and Louise Shen, Neil Boland

Apologies: Meryl Waugh, George Kiriakidis, Vasilius Tsalkos

1. Condolences to Anne Laver, on the death of her husband Andrew.
2. Neil Boland updated DADA on The Preston Open Space Advisory Panel (POSAP) regarding the level crossing removal at Preston. Open space at Preston Station is being achieved by removing the car park on the Preston Market side. The number of car spaces is to remain the same, no additional parking is being included. Carparks are accessed via Clinch Avenue, Edith Street, Cramer Street & St Georges Road leading to additional traffic on the two side streets. Preston station has more hard surfaces and less greenspace. There does not seem to be any cohesion between LXR and Council regarding the station areas. Final POSAP meeting is 24 November.

3. Council Elections 2020, discussion regarding the recent elections and our elected Councillors. Jim and Louise gave insight into campaigning during Covid.
4. DADA website had increased traffic during the elections.
5. Discussion regarding online bullying of candidates, misinformation, and dirty tactics during the recent elections.
6. Preston Precinct, fast tracking.
