### HOW TO FIND DAREBIN PLANNING APPLICATIONS CURRENTLY “ON ADVERTISING”

The planning application process involves (i) the developer submitting their application, (ii) a delay whilst this progresses through a substantial queue, (iii) the “on advertising” period, and (iv) decision for the project to continue or otherwise. The “On advertising” phase is significant for the following reasons. This is the first, last and ONLY opportunity for the public to view the plans and discover factual details for the proposal, and submit feedback according the 57(1) of the Planning and environment act 1987, see [http://www.austlii.edu.au/au/legis/vic/consol\\_act/paea1987254/s57.html](http://www.austlii.edu.au/au/legis/vic/consol_act/paea1987254/s57.html)
